Oral Presentations

March 19, 2011

School: _____

Instructions: Presenters must address a single topic Complete a scoring sheet on “Effectiveness” *and* complete scoring sheets for “Creativity” and “Requirements” (page 2) for each team.

EFFECTIVENESS (45 points maximum)

Discuss the following:

“Most major car manufacturers are now offering electric cars to the public. In your opinion,, what three major technological advances have made electric cars feasible and popular?”

Remember this is a research, not a personal opinion question.

Think about doing a school or community survey - ask you're your friends and other respected individuals for their opinion. Keep track of your sources as you must turn in three (3) copies of your abstract when your team does their Oral Presentation.
